To Whom It May Concern:

Thank you for your consideration of partnering with Kids EveryWEAR by supplying shopping bags for our upcoming consignment event. Our semi-annual consignment events serve the community in a variety of significant ways. In addition to serving as a vehicle for local parents to recycle children's clothing and toys, we also are able to make enormous charitable contributions to local and international charities each season. The following are the charities and organizations that benefit from Kids EveryWear:

US Military Personnel and their families Catholic Parish Outreach
Mexico First Baptist Clothing Closet
With Love From Jesus
UNC Hospitals
Duke University Premie Closet
Local school classrooms

Many of the charities listed above report that donations from Kids EveryWear supply the highest percentage of annual donations they receive.

Thank you again for your kind consideration. We would be happy to credit you for any contribution you are able to make by posting a banner ad for your business on our website which supports a mailing list of over 20,000 local families. Please contact me directly should additional documentation of the information noted above be required.

Kind regards,
